

BOOTSTRAP

Week 8.2 - IST 263

Section M005

Any questions before we start ??

TODAY'S CLASS

- CSS Frameworks
- Bootstrap

WHAT IS A FRAMEWORK?

- Helps reduce time spent on development & testing
- Provides a standard way to build and deploy
- Provides reusable functionality that can be selectively changed

BOOTSTRAP

Released by Twitter in 2011

HOW TO START WITH BOOTSTRAP 3.7
